

AASHISH TANEJA

Co-Founder & Director-PES

Expert in : *Background Checks*

Experience : *17 Years*

Email : *aashish@netrika.com*

Aashish Taneja, Co-Founder of Netrika Consulting, is a seasoned professional specializing in facilitating background checks for diverse business needs. With meticulous attention to detail and a focus on meeting stringent deadlines, he collaborates closely with clients to ensure seamless execution.

Leveraging his extensive experience across pharmaceuticals, telecom, and business process outsourcing sectors, Aashish possesses an innate understanding of nuanced business dynamics and key performance metrics. He upholds principles of integrity and confidentiality, fostering a culture of trust within his team and cultivating enduring client relationships.

Recognized as a thought leader in the field, Aashish is a sought-after speaker at prestigious industry seminars. His visionary approach emphasizes harnessing cutting-edge digital technologies to drive innovation within background checks, reflecting his dedication to remaining at the forefront of industry advancements.

As a forward-thinker, Aashish is spearheading Netrika's efforts to integrate digital tools into background check processes, all while ensuring strict adherence to compliance standards. His wealth of experience in international compliance requirements, coupled with over a decade of expertise in background checks, uniquely positions him to navigate the evolving technological landscape with proficiency.

Aashish's unwavering dedication to excellence, coupled with his extensive industry network, makes him an invaluable asset in delivering exceptional results for every assignment undertaken by Netrika.
